

Namib Naukluft Lodge

Route description from Windhoek via Spreetshoogte Pass app. 240 km Drive from Windhoek on the C26 in the direction of the Gamsberg Pass / Walvis Bay. Only the first few kilometres are tarred – the rest of the route is gravel road. Pass the Kupferberg Pass. After approximately 108 kilometres turn left onto D1265, follow it for about 29 kilometres and turn right into D1261. After about 23 kilometres you will see Nauchas (a police station and a farmhouse) located in the corner of the junction. Turn right into D1275 towards Spreetshoogte Pass. This Pass has a gradient of 1:4.5 – 1:6 and no caravans nor trailers are allowed on it. You travel app 51 km and turn left onto the main road C14. After approximately 9 km you will see Solitaire (fuel station and shop available) on your right hand side. Turn into C19 and follow this road for the next 18 kilometres. You will see the entrance to Namib Naukluft (well marked) to the right hand side. You will reach the lodge after 2 kilometres.

Route description from Swakopmund app. 279 km Drive from Swakopmund on the B2 to Walvis Bay. After about 30 kilometres turn left onto the C14 in the direction of Windhoek / Solitaire. Follow this main road past the Kuiseb Canyon and Pass for about 230 km until you arrive at the Solitaire triangle. Solitaire has a fuel station and a small shop. Turn into C19 and follow this road for the next 18 kilometres. You will see the entrance to Namib Naukluft (well marked) to the right hand side. You will reach the lodge after 2 kilometres.

Route description from Sesriem app. 58 km When you come from the southern part of Namibia and you have just been in Sesriem or you are coming from the C27 (Helmeringhausen), turn left into the main road C19. After approximately 46 km you will see the entrance for Namib Naukluft Lodge on the left hand side. You will reach the lodge after 2 kilometres.

For the Fly-in clients: The Co-ordinates: South: 23° 59' 44" East: 015° 56' 00" Altitude: 3,500 feet
